#### Equal Business Opportunity Program – **Not Applicable**

In Section 6 of the Vendor's Proposal, Vendor should submit a statement of compliance regarding the requirement for meeting the MWBE goal in the reply to this RFP or note any exceptions.

This contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity ("EBO") Program. It is up to the Respondent to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City's website at [www.memphistn.gov](http://www.memphistn.gov) under "Doing Business". The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises ("M/WBE") in the City's purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation is **0%**. The percentage of M/WBE participation is defined as the dollar value of subcontracts awarded to certified minority and/or women business enterprises divided by the total proposed base bid amount.

In awarding orders under this RFP, SAIC will be subject to the EBO requirements of Sections 11.8 (a) and (b) of its prime contract with the City entitled Masters Services Agreement Between City of Memphis, Tennessee and Science Applications International Corporation (the "Prime Contract"), which is located on the City of Memphis' webpage. The goal in Section 11.8 (a) requires a 50% MWBE participation goal for goods and nonprofessional services with 30% designated toward MBE spend and 20% designated toward WBE spend. The goal in Section 11.8 (b) requires a 30% MWBE participation goal for professional services with 15% designated toward MBE spend and 15% designated toward WBE spend. Vendors are strongly urged to provide information regarding their minority-owned or woman-owned status with their responses to this RFP so that SAIC may meet its Prime Contract EBO goals.

#### **Participation Plan**

The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates to achieve in the performance of contract resulting from this RFQ; (2) the type of work to be performed by the M/WBE participation; and (3) the names of the M/WBEs the Respondent plans to utilize in the performance of the contract resulting from this RFQ.

#### **Eligible M/WBE Firms**

To qualify as an M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must be included on the City's list of certified M/WBE firms. One or a combination of several M/WBEs may be utilized to meet the established goal of **0%**. Requests for verification must be submitted to the City's Contract Compliance Office listed below:

Fax: (901) 576-6560

Email: [mary.bright@memphistn.gov](mailto:mary.bright@memphistn.gov)

**Good Faith Efforts Documentation**

If a Respondent proposes an M/WBE percentage less than the established goal, the Respondent must, at the time of the response, submit a Good Faith Efforts statement accompanied by the appropriate documentation justifying its submitted M/WBE percentage. The ability of the Respondent to perform the work with its own work force will not in itself excuse the Respondent from making good faith efforts to meet participation goals. The determination of whether a Respondent has made a good faith effort will be made by the City's Contract Compliance Officer, Director of Finance and the Purchasing Agent, prior to the award of the project.

(e) All-Risk Property Insurance: Seller must maintain an amount adequate to replace property, including goods covered by this order, of Buyer and/or Buyer's customer which may be in the possession or control of the Seller. Buyer shall be named as a Loss Payee with respect to the loss or damage to said property and/or goods furnished by Buyer.

The Additional Insured coverages above shall be primary and non-contributing with respect to any other insurance that may be maintained by SAIC and notwithstanding any provision contained herein, the Seller, and its employees, agents, representatives, consultants, subcontractors and suppliers, are not insured by SAIC, and are not covered under any policy of insurance that SAIC has obtained or has in place.

Any self-insured retentions, deductibles and exclusions in coverage in the policies required under this Article shall be assumed by, for the account of, and at the sole risk of Seller. In no event shall the liability of Seller or any subcontractors be limited to the extent of any of insurance or the minimum limits required herein.

Prior to commencement of any work, and within 15 days of any policy renewal that occurs while any work is on-going under this Subcontract, Seller shall provide SAIC evidence of the insurance coverage required above, including evidence of additional insured status and waivers of subrogation where required. Failure of Buyer to demand such evidence or to identify any deficiency in the insurance provided shall not be construed as or deemed to be a waiver of Seller's, or its subcontractors', obligations to maintain the above insurance coverages.

#### 9.0 SAIC FURNISHED ITEMS AND INTELLECTUAL PROPERTY

(a) All items furnished, loaned or bailed by SAIC to Seller hereunder, or purchased, or otherwise acquired by Seller for the performance of and specifically charged to SAIC under this Subcontract (collectively, the "Items"), are the property of SAIC (or, as directed by SAIC pursuant to the terms of its prime contract, its Customer). Upon completion, expiration or termination of this Subcontract, Seller shall return all Items in good condition (reasonable wear only accepted) together with all spoiled and surplus Items to SAIC. In lieu of the return of Items to SAIC, Seller shall make such other disposition of all Items as directed in writing by SAIC. Seller agrees to replace, at its expense, all such Items not returned in accordance with this Section or returned in other than good condition. Seller shall not charge SAIC for any storage, maintenance or return of any Items. Seller shall bear all risk of loss for all Items in Seller's possession or for which Seller is responsible. Seller also agrees to use designs, data or other things contained or embodied in Items provided to or utilized under this Subcontract in accordance with any restrictive legends placed on such Items by SAIC or any third party. If SAIC furnishes any material (including but not limited to any computer software or other data) for fabrication pursuant to this Subcontract, Seller agrees: (i) not to substitute any other material for such fabrication without SAIC's prior written consent and (ii) that title to such material shall not be affected by incorporation in or attachment to any other property.

(b) To the extent that Seller provides any commercial items (including commercial computer software) under this Agreement, the Parties agree that any normal commercial terms governing such commercial items shall govern the use of such commercial items, except to the extent that such normal commercial terms shall conflict or be inconsistent with terms of this Subcontract. In the case of any conflict or inconsistency, the applicable terms of this Subcontract shall take precedence over any conflicting or inconsistent commercial term.

(c) The Parties agree that all provisions of the prime contract between SAIC and its Customer regarding intellectual property rights shall be incorporated into this Subcontract with the same force and effect as if they were written in full text herein and shall govern the performance of this Subcontract. To the extent that any conflict exists between the intellectual property provisions of the prime contract between SAIC and its Customer and any normal commercial terms governing commercial items provided by Seller, the intellectual property provisions of the prime contract shall govern.

(d) To the extent applicable, the Parties shall apply the intellectual property provisions of the prime contract between SAIC and its Customer in a manner that reflects Seller's position as a subcontractor to SAIC. Seller shall grant to SAIC such intellectual property rights necessary for SAIC to perform its contractual obligations to Seller.

## 10.0 DISCLOSURE

During the term of this Subcontract and for a period of five (5) years after the completion of the last task order issued hereunder, Seller shall not disclose information concerning work under this Subcontract to any third party, unless such disclosure is required by law or necessary for the performance of this Subcontract. No news releases, public announcement, denial or confirmation of any part of the subject matter of this Subcontract or any phase of any program hereunder shall be made without prior written consent of SAIC which shall not be unreasonably withheld.

## 11.0 COMPLIANCE WITH LAW

Seller agrees to comply with the applicable provisions of any federal, state or local law or ordinance and all orders, rules and regulations issued there under.

By signing this Agreement, Supplier represents that it is not presently listed by any federal agency as debarred, suspended, or proposed for debarment from any federal contract activity. If, during the term of this Agreement, this information changes, Supplier shall notify SAIC without delay. Such notice shall contain all relevant particulars of any debarment, suspension, or proposed debarment.

## 12.0 COUNTERFEIT PRODUCTS

(a) For purposes of this clause, Goods are any tangible items delivered under this Agreement, including without limitation the lowest level of separately identifiable items, such as parts, articles, components, and assemblies. "Counterfeit Goods" are Goods that are or contain items misrepresented as having been designed, produced, and/or sold by an authorized manufacturer and seller, including without limitation unauthorized copies, replicas, or substitutes. The term also includes authorized Goods that have reached a design life limit or have been damaged beyond possible repair, but are altered and misrepresented as acceptable.

(b) Seller agrees and shall ensure that Counterfeit Goods are not delivered to Buyer. Goods delivered to Buyer or incorporated into other Goods and delivered to Buyer shall be new and shall be procured directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by Buyer. When requested by Buyer, Seller shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

(c) In the event that Work delivered under this Agreement constitutes or includes Counterfeit Goods, Seller shall, at its expense, promptly replace such Counterfeit Goods with authentic Goods conforming to the requirements of this Agreement. Notwithstanding any other provision in this Agreement, Seller shall be liable for all costs relating to the removal and replacement of Counterfeit Goods, including without limitation Buyer's costs of removing Counterfeit Goods, of reinserting replacement Goods, and of any testing necessitated by the reinstallation of Goods after Counterfeit Goods have been exchanged. Seller shall include equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Goods to Buyer.

## 13.0 EXPORT CONTROL COMPLIANCE

Seller shall comply with all applicable U.S. export laws and regulations, including International Traffic in Arms Regulations ("ITAR") and the Export Administration Regulations ("EAR"). The subject technology of this Subcontract (including data, services, software and hardware provided hereunder, defined as "Controlled Technology") may be controlled under these laws and regulations and may not be exported or re-exported without

prior authorization in accordance with ITAR and EAR. Access to Controlled Technology by Foreign Persons as defined by 22CFR120.16 may require an export authorization. SELLER shall have full responsibility for obtaining any export licenses or authorization required to fulfill its obligations under this Subcontract.

Supplier hereby certifies that all Supplier employees who have access to the Controlled Technology are U.S. citizens, have permanent U.S. residency or have been granted political asylum or refugee status in accordance with 8 U.S.C. 1324b(a)(3).

#### 14.0 ORGANIZATIONAL CONFLICT OF INTEREST

Seller represents and warrants that its performance of this Subcontract does not constitute and will not create an organizational conflict of interest (OCI) that would impair its ability to provide impartial services to SAIC and its customer. If during the course of performance, Seller becomes aware of any actual or potential organizational conflict of interest caused by its performance of this Subcontract, Seller shall promptly notify SAIC in writing of the nature of such actual or potential organizational conflict of interest.

#### 15.0 CHANGES

SAIC may at any time, by written order, make changes within the general scope of this Subcontract in any one or more of the following:

- i) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured under this Subcontract in accordance with the drawings, designs, or specifications.
- ii) Method of shipment or packing.
- iii) Place of delivery.

If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Subcontract, whether or not changed by the order, SAIC shall make an equitable adjustment in the Subcontract price, the delivery schedule, or both, and shall modify this Subcontract or the applicable Task Order.

Seller shall assert its right to an adjustment under this clause within 20 days from the date of receipt of the written order.

Failure to agree to any adjustment will be a dispute under the Disputes clause of this Subcontract, provided, however, that nothing in this clause excuses the Seller from proceeding with the work as changed without interruption and without awaiting settlement of any such dispute.

#### 16.0 TERMINATION FOR CONVENIENCE

SAIC shall have the right to terminate this Subcontract or any order issued hereunder, in whole or in part, at any time, without cause, by providing written notice to Seller. Upon receiving notice of such termination, Seller shall

- (a) stop all work on this Order on the date and to the extent specified;
- (b) place no further contracts hereunder except as may be necessary for completing such portions of the Order as have not been terminated;
- (c) terminate all contracts to the extent that they may relate to portions of the Order that have been terminated; and
- (d) protect all property in which SAIC has or may acquire an interest and deliver such property to SAIC.

Within twenty (20) days from such termination, Seller may submit to SAIC its written claim for termination charges in the form prescribed by SAIC. Failure to submit such claim within such time shall constitute a waiver of all claims and a release of all SAIC's liability arising out of such termination. Under no circumstance shall Seller be entitled to anticipatory or lost profits.

SAIC reserves the right to verify claims hereunder and Seller shall make available to SAIC, upon its request, all relevant, non-proprietary books and records for inspection and audit (e.g., time cards and receipts). If Seller fails to afford SAIC its rights hereunder, Seller shall be deemed to have relinquished its claim.

#### 16.1 TERMINATION FOR DEFAULT

SAIC may, by written notice of default to Seller, terminate the whole or any part of this Order in any one of the following circumstances:

- (a) Seller fails to make delivery of the goods or perform services within the time specified herein or any extension thereof; or
- (b) Seller fails to perform any of the other provisions of this Order or so fails to make progress as to endanger performance of this Order in accordance with its terms, and does not cure such failure within a period of ten (10) days after receipt of notice from SAIC specifying such failure; or
- (c) Seller becomes insolvent or the subject of proceedings under any law relating to the relief of debtors or admits in writing its inability to pay its debts as they become due.

If this Order is so terminated, SAIC may procure or otherwise obtain, upon such terms and in such manner as SAIC may deem appropriate, goods or services similar to those terminated. Seller shall be liable to SAIC for any excess costs of such similar goods or services.

Seller shall transfer title and deliver to SAIC, in the manner and to the extent requested in writing by SAIC at or after termination, such complete or partially completed articles, property, materials, parts, tools, fixtures, plans, drawings, information and contract rights as Seller has produced or acquired for the performance of the terminated part of this Order and SAIC will pay Seller the contract price for completed articles delivered to and accepted by SAIC and the fair value of the other property of Seller so requested and delivered.

Seller shall continue performance of this Order to the extent not terminated. SAIC shall have no obligation to Seller in respect to the terminated part of this Order except as herein provided. SAIC's rights as set forth herein shall be in addition to any other rights in case of Seller's default.

Seller shall not be liable for damages resulting from default due to causes beyond the Seller's control with Seller's fault or negligence, provided, however, that if Seller's default is caused by the default of a subcontractor or supplier, at any tier, such default must arise out of causes beyond the control of both Seller and subcontractor or supplier, and without the fault or negligence of either of them and, provided further, the goods and services to be furnished by the subcontractor or supplier were not obtainable from other sources.

#### 17.0 GOVERNING LAW

This Subcontract shall be governed by and construed in accordance with the State of Tennessee.

#### 18.0 DISPUTES

SAIC and Seller agree to enter into negotiations to resolve any dispute arising under or relating to this Subcontract. Both parties agree to negotiate in good faith to attempt to reach a mutually agreeable settlement within a reasonable amount of time. If negotiations are unsuccessful, either party may initiate litigation in a court of competent jurisdiction within the State of Tennessee.

The Parties hereby submit and consent to the exclusive jurisdiction of any state or federal court located within Shelby County or the United States Western District of Federal Court within the State of Tennessee and irrevocably agree that all actions or proceedings relating to this Agreement will be litigated in such courts and each of the Parties waives any objection which it may have based on improper venue or forum non conveniens to the conduct of any such action or proceeding in such court

#### 19.0 SUBCONTRACT AND ORDER CLOSEOUT

Seller agrees to submit with its final invoice the attached Closeout Package. Seller shall submit a FINAL invoice bearing the statement, "*FINAL INVOICE*" as required by the Subcontract Closeout Package. SAIC may unilaterally close-out this subcontract if the Seller fails to submit the close-out documentation within the specified time period.

#### 20.0 ASSIGNMENTS AND SUBCONTRACTS

For the purposes of this article, "Subcontract" means any contract, agreement or purchase order entered into by SAIC and any supplier, distributor, vendor, or firm that furnishes supplies or services to or for SAIC to furnish supplies or services in support of an SAIC contract. This Agreement may not be assigned, novated or otherwise transferred by operation of law or otherwise by Seller without prior written consent from SAIC, which consent shall not be unreasonably withheld, provided, however, that SAIC may deny consent where it is in SAIC's best interest to do so. Except to the extent identified in Seller's proposal, Seller agrees to obtain SAIC's written approval before subcontracting a portion of this order. Seller shall notify the Buyer's Contractual POC in writing if the Seller changes the amount of a lower-tier subcontract effort after award such that it exceeds 70 percent of the total cost of work to be performed by Seller under the Agreement. The notification shall identify the revised percentage of Seller's effort and shall include verification that the Seller will provide added value as related to the work to be performed by the lower-tier subcontractor(s).

#### 21.0 GENERAL RELATIONSHIP

SAIC shall be solely responsible for all liaison and coordination with SAIC's customer as it affects the applicable prime contract and this Subcontract. Seller's communications with SAIC's customer shall be limited to those necessary for the Seller's performance under this Subcontract. Any other communications between Seller and SAIC's customer requires the prior written approval of SAIC.

Seller is an independent contractor in all respects with regard to this Subcontract. Nothing contained in this Subcontract shall be deemed or construed to create a partnership, joint venture, agency, or other relationship other than that of contractor and customer.

#### 22.0 NON-WAIVER OF RIGHTS

The failure of either party to insist upon strict performance of any of the terms and conditions in the Subcontract, or to exercise any rights or remedies, shall not be construed as a waiver of its rights to assert any of the same or to rely

on any such terms or conditions at any time thereafter. The invalidity in whole or in part of any term or condition of this Subcontract shall not affect the validity of other parts hereof.

## 23.0 STANDARDS OF BUSINESS ETHICS & CONDUCT

SAIC is committed to conducting its business fairly, impartially and in an ethical and proper manner. These characteristics make it imperative that SAIC employees adhere to a particularly high ethical standard in accordance with SAIC's Code of Conduct, which may be viewed at [www.saic.com](http://www.saic.com) under Corporate Governance. SAIC's expectation is that Seller also will conduct its business fairly, impartially and in an ethical and proper manner, consistent with the principles of the SAIC Code of Conduct. In addition, SAIC strongly encourages that Seller have proactive and meaningful ethics and compliance programs established within your organization. As evidence of our commitment, should Seller wish to review SAIC's ethics training for your organization, request a copy through Buyer's contractual point of contact. SAIC expects the Seller to understand, foster, and mirror the ethical conduct expected from our employees in all business transactions. If Seller has cause to believe that SAIC or any employee or agent of SAIC has acted improperly or unethically under this agreement/order, Seller shall report such behavior to the SAIC Ethics Hotline (800) 760-4332. Copies of The Science Applications International Corporation (SAIC) code of Ethics and contacts for such reports are available [www.saic.com](http://www.saic.com) under Corporate Governance in Investor Relations. SAIC provides its Code of Conduct for informational purposes only, and makes no representations as to its appropriateness for use outside of SAIC.

## 23.1 NOTICE TO SAIC SUBCONTRACTORS REGARDING MONITOR

As part of the CityTime settlement reached with the United States Attorney's Office for the Southern District of New York ("U.S. Attorney's Office"), SAIC entered into a deferred prosecution agreement (the "Agreement") and agreed to retain an independent monitor, Contractor Integrity Solutions (CIS), for three years, from August 1, 2012. After SAIC entered into the Agreement, SAIC separated into two independent public companies, with the spin-off entity retaining the SAIC name. While SAIC is no longer bound by the DPA following the separation, it has agreed to assume certain obligations under the DPA, including those involving its subcontractors. As such, SAIC requests that you provide this information to those applicable employees and agents within ten days of the execution of this Subcontract.

CIS will review SAIC's Ethics and Compliance program, procurement and subcontracting policies and practices, treatment of whistleblowers and their complaints, and conduct of non-federal government contracting. CIS will take appropriate steps to maintain the confidentiality of any non-public information.

All subcontractors and their agents may communicate with CIS, at any time, either anonymously or otherwise. CIS may be reached through the SAIC toll-free ethics hotline at 1-800-760-4332, by email at [RJB@rjbednar.com](mailto:RJB@rjbednar.com), or by mail to Contractor Integrity Solutions LLP, 3805 Fort Worth Avenue, Alexandria, VA 22304. Further, any subcontractor employee or agent that becomes aware of any potential violation of law or any potential unethical conduct related in any way to their subcontract with SAIC, is obligated to report such conduct to SAIC at the same toll-free number above, or to CIS. No subcontractor employee or agent will be penalized in any way for contacting the monitor. These notice obligations do not relieve any individual from abiding by the individual ethics policies established by their company, or regulatory obligations under the FAR or other applicable statutes.
